Influence of Medicare on Home Health Growth -----	11
Medicare Home Health Prospective Payment -----	12
Medicare Conditions of Participation -----	12
Medicare Defines Fraud in Home Care -----	12
Responsibility Related to Medicare Participation -----	13
Provider Responsibility under Medicare -----	13
Physician Responsibility under Medicare -----	14
Physician Orders -----	14
Clarifying the Role of the Nurse Practitioner/Physician Assistant -----	14
Certification Periods and Physician Orders -----	15
Plan of Care -----	15
Physician Signature -----	16
Verbal Orders -----	17
Verbal Order for Start of Care (SOC) -----	17
When Verbal Orders Are and Are NOT Necessary -----	18
Who May Accept Verbal Orders? -----	18
Physician Signature for Verbal Orders -----	18
Verbal Orders Related to Recertification -----	19
Other Considerations for Verbal Orders -----	19
Recertification Orders -----	19
PRN Orders -----	20

Medicare Coverage Criteria -----	20
Part-Time or Intermittent Service -----	20
Daily Skilled Nursing Visits -----	20
Medicare Certified -----	21
Physician-Certified Care -----	21
Medically Reasonable and Necessary -----	21
Homebound -----	22
Visit Frequency -----	24
Guidelines for Decreasing Visits -----	24
Guidelines for Increasing Visits -----	24
Changes to the Plan of Care (POC) When Visit Frequency Changes --	25
Documentation Details for Skilled Nursing Services -----	25
General Admission Assessment Guide -----	25
Current State of Health -----	25
Activities of Daily Living -----	26
Social Support System -----	26
Environmental Considerations -----	26
Mental Health Status -----	26
Medicare Eligibility -----	26
Other -----	27
Categories for Skilled Nursing Service -----	27
Observation and Assessment -----	28
Management & Evaluation of the Client's Plan of Care -----	28
Teaching & Training -----	29
Technical Nursing Procedure -----	30
Medication Administration under Technical Nursing -----	30
Flushing a Port under Technical Nursing -----	31
Venipuncture Coverage under Technical Nursing -----	31
Other Skilled Nursing Services under Technical -----	31
Student Nurses -----	31
Documentation Details Skilled Therapy Services -----	32
Physical Therapy (PT) -----	32
Speech Language Pathology (SLP) -----	33
Occupational Therapy -----	33
Documentation Details for Homebound -----	34
Physician Certification of Homebound -----	34
Considerable & Taxing Effort to Support Homebound -----	34
Documentation to Paint a Picture of Homebound Status -----	34
Homebound Related to Absences from the Home -----	35
Red Flags Regarding Homebound Status -----	36
Homebound and Functional Limitations -----	37
Client Health Status & Client Response Related to Homebound -----	37
Environmental Factors Related to Homebound -----	38

Documentation for Reasonable and Necessary Skilled Nursing Services --	38
Painting the Picture of Medical Need in the Clinical Record -----	38
Factors Affecting Medical Need -----	38
Consistent Documentation -----	39
Daily Skilled Nursing Visits Related to Medical Need -----	39
Physician-Certified Need for Medical Need -----	40
Response to Interventions -----	40
Non-Covered Services -----	40
Documentation for Reasonable & Necessary HHA Services -----	41
HHA Documentation Training -----	41
Home Health Aide Charting Requirements -----	42
HHA Coverage Criteria: Basic Requirements -----	42
Home Health Aide Coverage Criteria: Other Cares -----	43
Factors to Consider Related to Home Health Aide Coverage Criteria --	43
HHA Competency Observation -----	43
Home Health Aide Responsibility -----	44

HHA Responsibility Related to Policy/Procedure -----	45
HHA Responsibility Related to Emergency Action & Reporting -----	45
Supervising the HHA -----	45
Supervisory Visits -----	46
Direct Supervisory Visit -----	47
Indirect Supervisory Visit -----	47
Supervision Related to HHA Charting -----	47
Supervision Related to Client Satisfaction with Services -----	48
Basic Documentation -----	48
General Considerations -----	48
Documentation Principles -----	48
Additional Principles of Documentation -----	49
Correcting Documentation -----	50
Things to Avoid when Documenting -----	50
Enhancing Documentation Skills -----	51
Documentation of Consistent Communication -----	51
Documentation “Words“ -----	51
Words to Avoid when Documenting -----	52
Words to Use when Documenting -----	52
Documentation Related to Changes in the Plan of Care (POC) -----	53
Documentation Related to Medication Assessment -----	53
Documentation of Cancelled or Missed Visits -----	54
Documentation of Medication and Treatment Changes -----	54

Documentation Related to Visit Ranges -----	54
Documentation Related to Principal Diagnosis -----	55
Documentation Related to Discharge Summary -----	56
Documentation Related to Nurse Delegation -----	56
OASIS Documentation -----	57
Documentation to Avoid Down Coding -----	57
General OASIS Considerations for Assessment Items -----	58
OASIS Time Frames -----	58
Comprehensive Assessment -----	60
OASIS Assessment Completion -----	60
OASIS Assessment Significance -----	60
OASIS Reports -----	61
Home Health Compare -----	61
OBQI Measures -----	61
Risk Adjustment -----	61
Case Mix Profile -----	62
OBQM/Adverse Events Outcome Measures -----	62
Hospitalization on Day 60, 61 -----	64
PPS Reform Changes -----	65
Four-Equation Model -----	65
Early vs. Late Episodes -----	66
Therapy Threshold -----	67
Supplies under the Prospective Payment System (PPS) -----	68
What CMS Says About Supplies -----	68
Supplies: Routine vs. Nonroutine -----	69
Supply Payment Considerations -----	69
Agency Responsibility Related to Supplies -----	70
Documentation of Supplies on the Plan of Care (POC) -----	70
Reporting Supplies on Claim -----	70
Potential Problems Related to Supplies -----	71
Questions and Answers Related to Supplies -----	71
Additional Resources -----	73
CMS Acronyms -----	74
485 Instructions -----	77
Face-to-Face Addendum -----	84
Therapy Reassessments Addendum -----	88
